Telephone	P. 265
Calendar	Navigation System Owner's Manual
"LEXUS Park Assist"	P. 155
Language	P. 187
Screen Setting	P. 190
Adjust Clock	P. 314/ Navigation System Owner's Manual

The initial screen

If the power switch is set to "ACC" or "IG-ON" mode, the initializing screen will be displayed for a few seconds as the system starts up.

- **To avoid damaging the touch screen**
  - Touch the screen lightly with your finger. If there is no response, remove your finger from the screen and try again.
  - Remove any dirt on the screen by wiping with a soft cloth. Do not use detergent.
- **When using the touch screen**
  - If the screen is cold, the display may be dark, or the system may seem to be operating slightly slower than normal.
  - The screen may seem dark and hard to see when viewed through sunglasses. Change your angle of viewing, adjust the display on the “Display” screen or remove your sunglasses.

Setting the touch screen

You can change the touch screen to your desired settings.

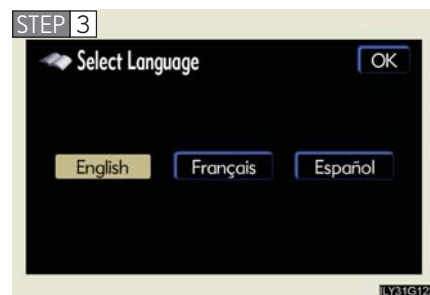
Language settings

The language used for all voice guidance, messages and touch screen switches may be changed.

STEP 1 Press INFO.

STEP 2 Touch "Language" on the "Information" screen.

STEP 3

Select the desired language.


STEP 4 Touch OK.
